The Haven at Skanda THE BARN APARTMENT Retreat Experience

Skanda is offering this unique experience to visitors seeking personal, silent, or creative retreats.

Sleep among the horses, stroll in the orchards, experience the innocence and brilliance of the animals, revel in the delicious sounds of nature.

Discover new possibilities.

The Haven at Skanda

The Haven at Skanda is a nonprofit, all volunteer sanctuary for rescued horses, rescued farm animals, and endangered breeds.

All animals on Skanda are seen as sovereign individuals and receive our full respect and support, and the freedom to make choices about how they live. Rescued animals who have survived trauma are supported to emerge as who they really are.

Skanda provides programs to children and families, people with disabilities, and anyone seeking new possibilities.

Your stay at the Barn Apartment pays to feed the rescued animals of Skanda for three days.

Thank you for supporting
The Haven at Skanda.
